

SORGENFALTEN

A close-up photograph of a human hand with a light skin tone. The hand is positioned with the index finger pointing towards the right, specifically towards the end of the word 'SORGENFALTEN'. The thumb is slightly curled, and the other fingers are also curled. The hand appears to be resting on a white surface, as indicated by the soft shadow cast beneath it. The lighting is bright and even, highlighting the texture of the skin and the lines on the hand.
